

MIMOSA

EVENT OBJECTIVE:

This is a biology quiz. The quiz tests the knowledge of participants on their basic biology skills. Invoke your bio quizzing skills, combine it with technology and crack the quiz!

EVENT STRUCTURE:

Round 1: Consists of a written paper consisting of roughly 30-35 questions of low and medium difficulty. The questions consist of MCQs, reasoning-based and simple factual questions. Previously selected starred questions will settle the tie breaks. No negative marks.

Round 2: The final round will consist of two sub-rounds.

Sub-round 1:

- i. In the first step, a question will be asked to each team regarding past and present inventions.
- ii. While in second step, questions will be open to all teams. It is a buzzer round. The round will include audio, visual, snapshots, experiments and animations.

Sub-round 2:

The second sub-round will be the ultimate rapid-fire round. A definite number of time-bound questions will be asked.

There is no strict time limit to answer the questions in the first sub-round.

However, if the Quizmaster feels that you are wasting time, the question may be passed. If the audience shouts out the answer during finals, that question will be scrapped.
