

# SUDOKU

## EVENT OBJECTIVE:

To all Sudoku lovers: Here is a great chance to show your Sudoku solving ability. Sudoku is considered one of the best logical puzzles played world-wide! Gear up to face those 9 numbers which are all fighting for the right spot on the 9x9 grid as time ticks away! This gets even harder with the changing types of Sudoku as you proceed to the next rounds. So get ready to have a great time solving some interesting, mind-boggling, invigorating puzzles.

## EVENT STRUCTURE:

**Round 1:** It will consist of the team solving the most rudimentary 9x9 grid Sudoku. The selection criteria will be the accuracy and the speed in solving the puzzle.

**Rounds 2 & 3:** These rounds will too have same selection criteria with increasing difficulty in the puzzles accompanied by a change in their grid style. Details regarding type and time for the puzzle will be disclosed on the spot.

## RULES:

1. Overwriting is not allowed.
  2. You are not allowed to bring rough papers.
  3. All necessary materials will be provided at the time of the event.
  4. Decisions taken by event heads and coordinators will be considered final and binding to all.
  5. Rules and structure of event may be changed without prior intimation.
- Participants are therefore, requested to check the official MindSpark'16 website([www.mind-spark.org](http://www.mind-spark.org)) regularly for updates.
