

THE AMAZING RACE

EVENT OBJECTIVE:

Ever wondered where your tactical brains can be put to use? Looking out for some adrenaline rush? **'The Amazing Race'** is here! A competitive treasure hunt, the amazing race is a race like no other. It not only requires the skills but also the brains to solve tricky situations. So if you are in for some adventure, The Amazing Race is here for you!

EVENT STRUCTURE:

The event is spread over two days starting from morning hours and will mostly be conducted in the daytime. The elimination rounds will spread over the first day and the first-half of the second day, followed by the finale round in the second-half of day 2.

RULES:

1. The Event will be monitored by the Amazing Race Team. The team has complete discretion in formulating and applying all rules and penalties. These rules may be **modified or altered** at the discretion of the Amazing Race Team, if required.
2. The Participants are expected to follow all the rules and regulations laid by the Motor Vehicles Act. Violations will result in disqualification of the team. Only on producing a **valid permanent driving license**, the team will be permitted to take part.
3. If any information provided by the team is found to be false or incorrect, the team will be disqualified.
4. The timings once recorded by the Amazing Race volunteers will be final. Any arguments with respect to the recorded time will not be entertained.
5. Physical damage or irresponsible handling such as tearing in part or totality of the checkpoint list will lead to disqualification.
6. The team spotted littering or throwing garbage along the route of the race, or altering or tampering unnecessarily with any of the natural surroundings will be disqualified.
7. No outside (non- team member) support is allowed between the start and finish lines of the race. Only the team is allowed in any official race area.
8. MindSpark Coordinators reserve the right to prohibit a competitor from starting or finishing any segment of the Race on medical grounds. Any such decision of the Race committee is final and binding to everyone involved.

9. No person can be a part of multiple teams for this event. In case of any clashes, the organizers of the event will not be responsible.
10. No two teams will be allowed to work on a particular problem together. It is a competition and ultimately each one has to compete with each other.
11. Participants are requested to strictly follow traffic rules. In case of traffic violation, The Amazing Race team will not help/ be responsible for any further consequences.
12. The Amazing Race Team reserves the right to impose time penalties or to disqualify teams for conduct in violation of any of these rules and contrary to the best interest of the event. Failure of any team member or a team to immediately and respectfully comply, with any direction or decision of the organizers, will result in disqualification of the team.
13. MindSpark team will not be responsible for any damage done to people, property or vehicles. The damage has to be reimbursed by the participants.
14. Some essentials for the event include smartphones with cameras, and other such necessary applications. These will be beneficial for the participants during the event and the participants are requested to carry these with them on their personal responsibility.
15. Rules may be changed without prior intimation. Participants are requested to check the MindSpark'16 website (www.mind-spark.org) regularly for further updates.

TEAM SIZE AND FEE STRUCTURE:

- Team Size : Maximum 2 participants per team.
Registration fee : ₹100/- per team.

FAQs:

Q. Who can participate?

A. Anyone can participate in this event. It will be open for all. You need not have a lot of technical knowledge to complete the tasks. The only requirement is a Legal Driving License in case the team uses their personal transport.

Q. Is physical fitness a necessary requirement?

A. Absolutely not. However, you should be able to perform some necessary physical tasks but the race focuses more on logical abilities.

Q. Do I require a vehicle?

A. Yes. One vehicle is necessary for the team. The race might not be impossible without a vehicle but a team with a vehicle will have an added advantage over the team without a vehicle.

Q. My knowledge about the city is not good. Can I still participate?

A. Yes, you surely and absolutely can. You will be provided with a customized map of the city.

Q. I'm taking part in another event in MindSpark; what happens if the timings of the event clashes?

A. The Amazing Race Team will not be responsible for any clashes with time. Each event will operate according to its own schedule and the participants are required to manage their own schedule.
